**Chi Alpha Campus
Ministries @ UCLA**

“Ask of me, and I will make the nations your inheritance...” (Psalm 2:8)

Hello!

Our season of preparation to reach the UCLA campus is coming to a close. Classes at UCLA officially start in the last week of September, which means that starting in mid-September we will meet UCLA students every day, helping them move into dorms, giving out information and free goodies, and establishing new relationships at our big events.

God is giving us favor every Sunday and at youth services as He blesses us with His anointing, enabling us to minister to many people and to cast a vision for Chi Alpha. God is moving fast for our team. This month He blessed us with an office and meeting spaces just across from campus. With rental prices in LA, we didn't expect such an opportunity this soon. We are ready to minister to students and to touch lives.

In May I and the team finished our last commitments to Mizzou. We encouraged our students at the last Chi Alpha service of the semester and introduced the new directors. They were welcomed warmly. Shortly after the Final Banquet, we led a fruitful missions trip to Haiti. Short reports are on the back.

We now are focused to reach UCLA and to bring a spiritual revival to this needy place. Thank you for your prayers and financial support, standing together in the gap for the sake of Christ.

Updates...

In June, the remaining members of our staff team arrived in Los Angeles. We now are all settled in into our new apartments. Some former students who graduated from MU are also arriving in LA in July and August.

I will have the opportunity to visit my family and friends in Germany in August. Most Germans don't know Jesus and I hope and pray for opportunities to share God's love and sacrifice with them.

Prayer Requests:

- Continued favor in California with pastors and people.
- Safe trip to Germany and opportunities to minister
- Effective big events on the UCLA campus in September.
- Increased support and offerings.

To make contributions and pledges: Make checks payable to 'Chi Alpha' and note them with my name and acct # 3991148.

Final Banquet

Our last commitment to all of Mizzou Chi Alpha was the Final Banquet. It was a celebration of the school year, saying good-bye between the students and our team, and honoring the students who graduated from MU and Chi Alpha. Two

of them will soon be missionaries for at least a year,

to Jordan and India.

Over 115 students attended this year's Final Banquet.

It has been tremendous five years at Mizzou for our team.

New webpage for me...

I created a homepage for myself. It is hosted on a physics computer in Missouri. There is lots of information on me and

my past. Information on Chi Alpha and UCLA can be found under the 'Missionary Work' link.

Haiti trip May '05

This trip was my sixth time back to Haiti. We had outreaches, children's ministry, soccer ministry, 9 evangelistic services at five places, and we prayed for the sick. Many people came to know Christ for the first time.

This trip we had the opportunity to preach at a church we had never been at before. We always try to enlarge our territory.

We always visit a lady by the name Nicole. She can barely walk and is malnourished. Last year she was pregnant and we prayed for her and the baby. This year we met her strong and healthy baby!
